Taranta-

Fisherman's Wharf, home of the fishing fleet and known throughout the world for fine restaurants, is the high point of the revitalized northern waterfront — served by two Muni cable car lines and three bus lines.

One of Golden Gate Park's many treasures is the respected California Academy of Sciences with its planetarium, aquarium, and natural history exhibits.

Muni, owner of the largest fleet of clean, quiet and powerful electric trolley coaches in North America, is replacing veterans like this one with a new fleet.

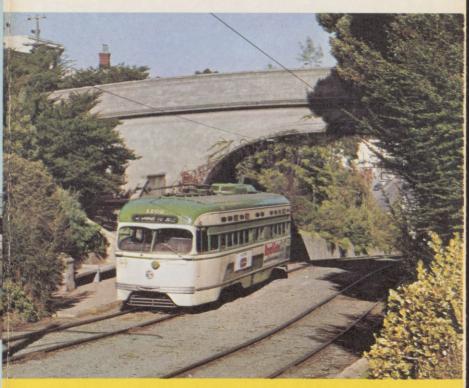

Muni's Cable Car Barn, home of the cable cars, now boasts a unique transit museum. Its gift shop is the exclusive source of many authentic souvenirs. These attractions are operated by the Railway and Locomotive Historical Society under contract with the San Francisco Public Utilities Commission.

school and possessing valid Muni identification card bearing their signature and that of the school principal. Operators may require proof of age and identity.

Transit fares are as inexpensive as you will find anywhere, and there are several bargains that make Muni riding worthwhile -FAST PASS for \$11 a calendar month, SENIOR PASS for \$2.50 a calendar month, and a 5-cent fare good at all times except weekday rush hours (7 to 9 a.m. and 4 to

6 p.m.) for certain handicapped persons. There is a 10-cent weekday Shopper Shuttle for 10 cents, and the Muni-BART discount ticket for passengers regularly using both or the leaflet: RIDING MUNI - THE PEOPLE'S SYSTEM, or dial 673-MUNI.

TRANSFERS Free, but issued only at time fare is paid. Convenience is the word for Muni's transfer system. Transfers have a generous time period, allow stopover privileges, permit transferring at any designated passenger stop and from one line to another (as long as you are going in the same general direction of course)

PETS Dogs may be carried between 9 a.m. and 3 p.m. and between 7 p.m. and 5 a.m. on payment of full fare. Guide dogs for the blind, when on leash, may ride free at all hours when accompanied by their masters. Dogs (other than guide dogs) must be muzzled and on short leash - or carried in enclosed containers which do not exceed hand baggage size. No more than one animal may be carried at one time on each

vehicle. Muni's pet privilege, rare among transit systems, has endured because of the cooperation of pet owners. Be a responsible pet owner and be considerate of your fellow

SMOKING It is against the law to smoke on transit vehicles, and is disrespectful of the health, comfort, and rights of others. Municipal Railway management will stand behind its operators in the strict enforcement of this rule. Please share this responsibility with us

OFF-PEAK RIDING Ride with greater comfort and convenience by avoiding the rush hours (7 to 9 a.m. and 4 to 6 p.m.) when working people must ride.
